

MMM/DOON Platform SMS Terms of Service for DoonDelivers.com

1. DoonDelivers.com's employee messaging service exists as a platform for employees, partners, and users of or within the MMM Transportation/Doon Platform. Messages will be limited to only those notifications to which you have subscribed and can be opted out of at any time. Messages may include 2FA(Two Factor Authentication), messages related to account creation, messages related to account changes, and messages to which the user has explicitly subscribed. All of the above are optional and can be disabled.
2. You can cancel the SMS service at any time. Just text "STOP" to the short code. After you send the SMS message "STOP" to us, we will send you an SMS message to confirm that you have been unsubscribed. After this, you will no longer receive SMS messages from us. If you want to join again, just sign up as you did the first time and we will start sending SMS messages to you again. More detailed messaging preferences can also be managed within the DoonDelivers.com system as well.
3. If you are experiencing issues with the messaging program you can reply with the keyword HELP for more assistance, or you can get help directly at support@doondelivers.com.
4. Carriers are not liable for delayed or undelivered messages.
5. As always, message and data rates may apply for any messages sent to you from us and to us from you. You will receive 3-5 messages per day at most and based on your preferences. If you have any questions about your text plan or data plan, it is best to contact your wireless provider.
6. If you have any questions regarding privacy, please read our privacy policy:
